- Contains an original soundtrack and the Hounds level theme is available in "Hunt: Showdown" game plus soundtrack bundle. This DLC item can be purchased separately for the special price of €6.99. "The Bite" Legendary weapon (optional) Your chance to own the original hunting weapon "The Bite" was set in motion when Tuck's former partner in arms, Bryan Tanzer, went missing under mysterious circumstances after a botched mission. The two had been working as hired guns for an old friend of their employer, taking out contract after contract. But when they found themselves being hunted themselves, the pair had no choice but to splinter and flee, each scrambling for a new life. Maybe fate will bring them back together to hunt down the man behind the contract; maybe their fate lies hidden in these Louisiana woods. If they face death up close and personal, they'll be set up in front of the Beast Hunter

The "Bite" Legendary weapon is the perfect match for the Beast Hunter class – small, slow, deadly, easy to handle. It is a double-barrelled shotgun that fires dual explosive rounds. This weapon is to be found in Story Mode and in Survival Mode. Additional notes Please note the following restrictions when playing Hunt: Showdown: The Beast Hunter. General restrictions

What's new:

Space Elite Force II is an upcoming space simulator video game in the Starlink series. It is the sequel to Starlink: Battle for Atlas and it is expected to be released some time in 2020. The game is developed by Croteam and published by Paradox Interactive for Microsoft Windows, PlayStation 4 and Xbox One. In February 2019, Paradox Interactive announced that there will be a free patch released on the 28 February 2019 on Steam. It will release for all players on 15 March 2019. Gameplay Space Elite Force II is a free patch, which was released on 28 February 2019 on Steam and it will be published by Paradox Interactive on Microsoft Windows, PlayStation 4 and Xbox One by 20 March 2019. It will allow all players who already own Starlink: Battle for Atlas or will be bought as a bundle with Starlink: Battle for Atlas and Starlink: Battle for Atlas - Mission Pack 1 to play the game free of charge. The game play in Space Elite Force II is divided into two different scenarios. Every scenario is divided into campaign missions and free roam. The campaign missions have a length of time of ten to twelve hours while the free roam have much longer period of time to fulfill depending on the scenario and the game difficulty. Free roam allows the players to fulfill game objectives that they don't have in their hands. The free roam missions allow players to trade with other players, see some story content or purchase items. The game don't have a specific setting; instead it has a space environment, planetary bodies, ships and weapons. Victory In Space Elite Force II the players win using either the final score or

through survival. Stars are being displayed as a score in the game. Survival in Space Elite Force II starts when the player runs out of fuel, energy or oxygen. The players options are limited before the game reaches the stage of being unplayable. When the players dies or they die they immediately respawn at the last saved location on a planetary body that only can be saved. The game strongly recommend the use of a spaceship with four fuel tanks to survive even when landing on a planetary body. During the free roam there is no way of moving from one location to another. The Free roam missions in Space Elite Force II are unlocked only when the players finish all the missions available in the campaign and of course, when the players finish all the free roam in the mission mode. During the campaign the more the level the more the free roam mission
